

Name: _____ Your session: _____

1 Learners & context

Who are they? What can they already do? Where will they use this?

2 Need

What happens now, and what should happen instead?

3 Outcomes

1–3 things they'll be able to do. Verbs you can see.

4 Evidence

For each outcome: what would you see, and when?

5 Activities

What will they practise, discuss or make?

6 Follow-through

30 / 60 / 90 days. Who will hold you to it? And what do you need from them?
